A Vision for NA Service

All of the efforts of Narcotics Anonymous are inspired by the primary purpose of our groups. Upon this common ground we stand committed.

Our vision is that one day:

- Every addict in the world has the chance to experience our message in his or her own language and culture and find the opportunity for a new way of life;
- Every member, inspired by the gift of recovery, experiences spiritual growth and fulfillment through service;
- NA service bodies worldwide work together in a spirit of unity and cooperation to support the groups in carrying our message of recovery;
- Narcotics Anonymous has universal recognition and respect as a viable program of recovery.

Honesty, trust, and goodwill are the foundation of our service efforts, all of which rely upon the guidance of a loving Higher Power.

This is our future as a Fellowship
so, why plan?

1. Do what we’re doing more effectively
2. More effective group influence
3. Realize Our vision

The visionary work done at our group assembly is the foundation of our regional planning, ensures the groups’ needs will be met, and gives that beautiful feeling of unity.

Our new planning springs out of the fluctuation in group/area donations and regional convention income. Our convention is going through a greater forward-planning strategy now; we are around a year and a half ahead. We are trying for some stability in our incomes.
