

More of your PUBLIC RELATIONS COMMITTEE

PUBLIC INFORMATION and PHONELINE

PUBLIC INFORMATION needs support to carry to message to several community programs within the Central Coast Area of Narcotics Anonymous.

This committee can use extra hands to help hand out schedules & PI's throughout the **SLO** and **Santa Barbara** (Lompoc) **Counties**. Please don't forget – sharing the message to the **ADDICT** that suffers; *Public Information* may be the first point of contact for presentations to the Public, Medical and County facilities which are not represented by H & I.

Please contact the PI Coordinator: Jim M. of Santa Maria or email....

PHONE LINE is panel which needs **men** and **woman** for all hours of the day – **24/7**. **There are four shifts of six hours each; such as – 6am – Noon, Noon – 6pm, 6pm – 12am, and 12A – 6am!!!** Our area phone line is set-up to branch off the members of Narcotics Anonymous via the contact number listed below. Maybe, you haven't used the phone line in OUR area, but have you ever been to another area to find a meeting? This maybe the first contact for a suffering addict to reach out to Narcotics Anonymous and seeking help; to find a meeting and time OR maybe someone to *identify* with. Please remember to always have an **up-to-date schedule** handy to give the current meeting/place & time should you receive a call. Always, be reminded **YOU** are representing Central Coast Narcotics Anonymous, as well as, *Narcotics Anonymous around the WORLD!* Encourage the caller to get to a meeting, if necessary – share your experience, strength and hope! This is what WE do Carry the message as the Twelfth Step expresses.

Please contact the Phone Line Coordinator: Joe B. from No. County or email....
