- Literature: Adrienne- 805-294-5324:** Adrienne: Still working out a new process.

Will be behind on orders for 1 month but will be getting caught up next month.
Determining if/when PR becomes separate from Literature what that process would look like and how to have separate inventories of supplies to keep enough supplies on hand. Goal is to have process ironed out over the next 3 months. Kurt mentioned it was on him to submit order and he was unsure about the new process so he wanted to hold up on the order until it was discussed at this meeting. Decided to order double to catch up and given permission to utilize \$1,000 instead of typical \$500 for this ordering period. Steven asked if google order form is ready for literature. Jessica stated it is created, awaiting approval from Adrienne and Steven asked that it be sent to the webmaster email.

Bart and others showed up to vote and keep it in PR. Agreed that each liaison in the area will show up at region and give their reports directly at the meeting. No area liaison reports were given due to the meeting being cut short.
