RCM Report

1. AdHoc Committee is finalizing the guidelines for the Region. The rough draft for the guidelines can be found at the RCM/GSR hub at www.ccrns.net if you would like to offer your input for consideration. These guidelines will be brought up for approval at our next Regional Committee Meeting.
2. Regional Assembly Conference [Strong Topic of Discussion]
 - This is a year for the **Conference Agenda Report**; as such, it is incredibly important to get the groups involved and inform our GSRs!
 - The **Regional Assembly Conference** is going to be held in **March 2026**.
 - **Questions to bring back to the Area for Consideration and Voting:**
 - **What do you want our Regional Assembly Conference to look like this year?**
 1. **One-day event? [Is this enough time to discuss and consider 25 motions?]**
 2. **Two-day event?**
 3. **Three-day event? [Is this cost-effective?]**
 4. **Online event? [Is this an adequate space for discussion and engagement?]**
 - Food for thought: a retreat lasting 3 days and 2 nights on average will cost \$200.00 per person, including food.
 - Our Region Chair is compiling a report that will explain:
 - What is the Regional Assembly Conference?
 - Why is it important?
 - Who is being asked to attend?
 - Approximate cost of throwing the event?
 1. **This report is pending and should be complete by the end of the month to bring back to the area for discussion. It is the Regional Body's hope that we can bring a vote to our next meeting, as time is becoming an issue in scheduling this event by March 2026.**
 - 3. This is a Conference Agenda Report (CAR) year!

- The CAR will be available for download on November 3, 2025! Groups should be ready to review this information with their members. GSRs should prepare themselves to bring back a group conscience to their [time frame to be determined by area].
- Regional Delegates will be prepared to come and support our Area in discussing the CAR.
 - Does our Area want to host an event to review the CAR with our Regional Delegates?

4. Open Commitment:

- Vice Treasurer
 - Qualifications:
 1. Three years of continuous clean time
 2. Accounting or business experience
 3. Willing and able to fully all commitment duties
 4. Working knowledge of the 12 Steps, 12 Traditions, and 12 Concepts of NA Service

5. The next Regional Service Committee Meeting will be held in person

- July 20th, 2025 at 11:30 am
- 801 South A St, Oxnard, CA

There was discussion regarding Regional Assembly. Kurt pointed out that this is a required event for GSR. Further discussion was tabled until next month. Behind the Walls Sponsorship

Many new sponsors showed up to take on sponsees behind the walls! Sponsees have been assigned, and this committee is progressing toward assigning the backlog of sponsees waiting for sponsorship. We assigned seven sponsees.

1.Santa Barbara County Jail has responded to our request to see if any women are serving Prison Terms in the County Jail. They have posted a flier in the housing units with information on how to get connected to BTWS for sponsorship. This is a massive win for the still-suffering addict.

2.San Luis Obispo County Jail has been contacted. We are waiting on a response.

3.Open Commitments:

- Qualifications:

- Two years clean time

- Willingness to engage the fellowship regarding BTWS in the Central California Region.

No Nonsense STILL needs a Treasurer, next vote will be July 29 at 8 pm. New Attitudes in Lompoc camp out August 8-10 \$50 per person, kids 13 and under free being held at Lopez Lake. If people want to come for the day on Saturday the tickets for the BBQ are \$15. July 26 they are also holding one of their Game Night, bring snacks and hang out with the Fellowship and your family at 129 N. I St in Lompoc at 7:30 pm.

Old Business

Literature Guidelines: the Literature Committee was given a copy with some revisions on it to take back to their Committee and will get back to us next month so we can approve them.

New Business

PR has been meeting here on the fourth Sunday of the month and this body thought that it was included with our rent but it was not. Jacob spoke with the manager and we need to approve of an additional \$20 to cover the cost of their meeting. Kurt pointed out that this money is already accounted for in the budget for PR.

There was discussion about the our inability to have this meeting on Zoom this month due to the issue of not having a Vice Chair and the necessity of having a computer to hold the meeting on Zoom. Naomi stated that she has an IPad that she's not using and would like to donate it to ASC for the purpose of having a hybrid meeting. The issue of ownership of the IPad was brought up and it was decided that it would be put into the Guidelines that the Vice Chair is responsible for it during their term of service.

Joshua was nominated for Vice Chair his qualifications were discussed, he is willing to serve he was elected.
